Sir,

Subject:- Grants - Municipal Council, Mangalore - Elementary Education - subsidy under section 37 -- Government contribution - Information -- requested.

Ref. G.O.Rt No. 38, Education dated the 31st January 52.

A sum of Rs. 61338-3-11 being the net Education tax realised by this council during 1950-51 was claimed as Elementary Education subsidy due from Government under section 37 of Madras Elementary Education Act for that year in this office letter B6.15629/51 dated 24th August 1951. But in their order referred to above, the Governmer were pleased to sanctiononly a sum of Rs.59,929-13-0 which is equival to the amount of subsidy sanctioned by Government for the year 1949-5 As no reason has been specified in the G.O. as to the difference of the sanctioned amount and that claimed for, it is presumed that the difference of Rs.1408- 6- 11 will be sanctioned subsequently.

If the presumption is correct, I request that the balance amount of subsidy due to this council i.e. Rs.1408-6-11 may kindly sanctioned at an early date.
